

Dr. Rick Odland
Dr. Brandon Heck

Medicare Patients

Medicare insurance covers the chiropractic manipulation only, it does not cover the initial examination charge or therapies. If hot packs, ice packs or electrical muscle stimulation therapies are needed you will not be charged for these services but will be responsible for the \$39.00 examination fee.

I authorize the release of any medical or other information necessary to process my claim. I also authorize payment of medical benefits to Odland Chiropractic, P.C.
